

Out of My Head

The D4

Getting out! (3x)

Get tight, Getting loaded
Walk right, on over
Turn up, Stay late
Time to nail me another mistake
Destroy, Displace
Outside of the human space
I need, some action
I gotta get myself some satisfaction

Hey now! Hey now!
I gotta find a way to get out!
Hey now! Hey now!
Gotta get a ticket out!
Hey now hey now
Outta my head
Hey now hey now
Outta my head!

Pick up, Warp speed
Get a hold of the things I need
No calls, No show
No rain no place to go
Magazine, fade out
No time like, right now
Just one, solution
Yeah
I've gotta get things moving

Out of my head (3x)

Taken way to much
And im cracking up
This place self destroyed
Defaced, paranoid

I'm going out of head! (4x)
