

## Repossession

### The Damnation

6 years to get out of the can  
Now I'm worth over 66 grand annually,  
For me and my highly prized profession  
Fucked up fun  
Any given night  
Your negligence to pay  
Jump into your turbo coupe & just drive away  
Well, I'm your repossession demon  
Repossession man!  
(Repo)  
I'm your repossession man  
I can take any ride and I don't need a key
