

Invincible

The Damned Things

Cut me up, I'm on display
Like a broken mirror, you can't look away
Don't move, don't breathe
I don't see what it is but I see what it means

You stayed awake until we all were dead and gone
So you could pick the bones

And if you're trying to bring me down
Then you're the last to know
Once the bullet leaves my brain
It can't be stopped
You're in over your head
I'm invincible
I'm invincible

All the things I was meant to say
They would swallow you whole
They would take you away
I'm poisoned, you're drained
Give me your word
And I'll give you a name

You stuck around until we all were dead and gone
Then you found my bones

And if you're trying to bring me down
Then you're the last to know
Once the bullet leaves my brain
It can't be stopped
You're in over your head
I'm invincible
I'm invincible

You stuck around until we all were dead and gone
Then you found my bones

And if you're trying to bring me down
Then you're the last to know
Once the bullet leaves my brain
It can't be stopped
You're in over your head
I'm invincible
And if you're trying to bring me down
Then you're the last to know
Once the bullet leaves my brain
It can't be stopped
You're in over your head
I'm invincible
I'm invincible
I'm invincible
I'm invincible

Cut me up, I'm on display
I'm a new disaster, you can't look away
