

Do the Blitz

The Damned

Oh little baby, we're going to a party tonight
Did you hear, this is the year, so let it rip
Yeah have a fit, well it's a hit, we'll do the blitz
Here it's a gas, she'll come on [?], cause this is it
Don't ask me why, cause you and I, ain't gonna sit

Chunk me where we can do or dare
Scream and moan for me, on the floor, we'll do the blitz
Yeah do the blitz
Oh yes I won, let's have some fun, it's full of wits
Yeah don't be slow, yeah I know, do the blitz
Cause it's a freak, don't be weak, the fuse is lit

Ah yeah, burn baby, baby, ah ha-ha
Do the blitz

I know a bar that's open late
It's seedy here so don't be late
Do the blitz
Yeah, do the blitz

(Do the blitz) You gotta hold on tight
(Do the blitz) You know the time is right
(Do the blitz) Oh yeah it's so far out
(Do the blitz) We can scream and shout

I know a bar that's open late
It's seedy here so don't be late
Do the blitz
Yeah, do the blitz
Woo!
