

## Sonar Deceit

The Damned

Contemplate life without a tune there isn't any  
If not to say it ain't complete without a swing  
We've all been jumping to the beat of which there's many  
Don't spare the volume crank it up and let's begin  
But when the whales wash up all stranded on the beach... hear t  
he

Sonar Deceit, never question why  
They flounder and they die  
There's no surprise, there's no surprise

A city rivers not ideal for ocean dwellers  
What makes a fish desert the sea is something there?  
While playing games with submarines is seen as clever  
Don't get concerned at what it hurts or even care  
What do the dolphins hear that drives them all insane... cue th  
e

Sonar Deceit, never question why  
They flounder and they die  
There's no surprise, there's no surprise

But when the whales wash up all stranded on the beach... hear t  
he

Sonar Deceit, never question why  
They flounder and they die  
There's no surprise, there's no surprise  
There's no surprise, there's no surprise (there's no surprise)  
There's no surprise, there's no surprise (there's no surprise)  
There's no surprise, there's no surprise (there's no surprise)  
There's no surprise, there's no surprise...
