

Dick

The Dandy Warhols

I've said everything I could do.
Think everything I could be.
Heard every word without listening
I'm a dick

Known everything that was true
Seen everything I could see
Done everything I Could be
I'm a dick,
Waiting to be kicked

I've read everything I could read
everything I could
Seen everything I could see
Been everything I could be
I'm a dick
Waiting to be kicked
I'm a dick,
Waiting to be kicked
