

Forever

The Dandy Warhols

All that I'd seemed to find
I can make it mine
But I've been up inside my head

I don't know but I've been told
Streets of heaven are paved with gold
Why do I know? I'd never left that day
I might have been around forever

All that I'd seemed to find
I can make it mine
But I've been up inside my head

Now there's a [?] never starts, that's right
[?] everything gold

I don't know but I've been told
Streets of heaven are paved with gold
Why do I know? I'd never left that day
I might have been around forever
