The Dandy Warhols

Wait, I need some time to figure out
Why life turned with its glory
I'm surely signed of real
For [?] from ever knowing

But I won't give you away again
I won't give you away
Two hearts may break as one
But I won't give you away

Change is a stranger
Becoming me and I cannot resist
Its kiss, its violence in silence

But I won't give you away again
I won't give you away
Two hearts may break as one
But I won't give you away
I won't give you away

Oh-oooh
Oh-oooh
Oh-oooh
Oh-oooh

But I won't give you away again
I won't give you away
Two hearts may break in two
But I won't give you away
I won't give you away

Oh-oooh
Oh-oooh
Oh-oooh
Oh-oooh
