

Minnesoter

The Dandy Warhols

Yeah,
I could rock her like a doctor,
If I found a way to get her off first.
I could own her, the crazy loner,
If I found my way to Minnesoter.

Yeah,
In a slumber, I'm sawing lumber,
I saw my baby dance a latin number
With her shirt off, Man, her skin's soft.
But in a mood, she'd rather if I jerked off.
If I found my way to Minnesoter
Minnesoter
Yeah

Yeah,
I could rock her like a doctor,
If I found a way to get her off first.
I could own her, the crazy loner,
If I found my way to Minnesoter.

Yeah, if I found my way to Minnesoter,
Yeah, if I found my way to Minnesoter, Oh
Minnesoter, Oh
Yeah
