

Nothin' to Do

The Dandy Warhols

I like to hold on my baby
She likes to hold on me, too
Like something for nothing
That she can hold on to.

Where we been lately,
Second avenue
To call on Brent Mackerel
Or we can find someone new

Oh, oh, oh, oh, oh, oh

I really like it better,
Like it better than you.
And if you got a problem,
Well, we had nothing to do
Here we go baby,
Yeah, with the cats from Swoon
And if we got a quarter,
We call Sugarboom, chka chk boom.
