Well I must have a door in the back of my head. Where I dump out all the crap so I can just feel solid again. No more sittin' around thinkin' about your hair, cause I must have a door in the back of my, back of my head.

Yeah. I got a beautiful new Asian girlfriend. She comes over and hangs around for days in my bed. You can't seriously believe I'm thinking about you man. Cause I must have a door in the back of my, back of my head.

Well it's a brand new day and I'm walking around old town. I feel cool as shit cause I got no thoughts keeping me down. I'm thinking blah de blah blah blah to your trip. Cause I must have a door in the back of my, back of my head. Yeah. Back of my head, Yeah I must have a door there.
