Do-do-do-do-do-do-do-do
Do-do-do do-do-do
Do-do-do-do-do-do-do-do
Do-do-do do-do-do
Do-do-do-do-do-do-do-do
Do-do-do-do-do-do-do-do
Do-do-do do-do-do
Do-do-do-do-do-do-do-do

Crimson and clover are taking on over
Minute by minute I can save but I won't stop
Tripping about everything that I shoulder
Higher oh, some things you gotta get over

Do-do-do-do-do-do-do-do
Do-do-do do-do-do
Do-do-do-do-do-do-do-do
Do-do-do do-do-do
Do-do-do-do-do-do-do-do
Do-do-do-do-do-do-do-do
Do-do-do do-do-do
Do-do-do-do-do-do-do-do

Just around the corner, where nobody warns ya
More people who like to treat you like you ain't even born yet
One by one they all get in line
Higher oh, it's what you do with your time

Do-do-do-do-do-do-do-do
Do-do-do do-do-do
Do-do-do-do-do-do-do-do
Do-do-do do-do-do
Do-do-do-do-do-do-do-do
Do-do-do-do-do-do-do-do
Do-do-do do-do-do
Do-do-do-do-do-do-do-do

Ain't it like falling when everybody's stalling?
Trying to follow your calling but your reception is mine
Everybody's sailing on the ship that they sell ya
Higher oh, it's all the things they not tell ya

Do-do-do-do-do-do-do-do
Do-do-do do-do-do
Do-do-do-do-do-do-do-do
Do-do-do do-do-do
Do-do-do-do-do-do-do-do
Do-do-do-do-do-do-do-do
Do-do-do do-do-do
Do-do-do-do-do-do-do-do

Crimson and clover are taking on over
Crimson and clover are taking on over
Crimson and clover are taking on oh
Higher oh, some things you gotta get over
