A long time ago, we used to be friends But I haven't thought of you lately at all If ever again, a greeting I send to you Short and sweet to the soul I intend

Come on now, honey
Bring it on, bring it on, yeah
Just remember me when you're good to go
Come on now, sugar
Bring it on, bring it on, yeah
Just remember me when

It's something I said, or someone I know Or you called me up, maybe I wasn't home Now everybody needs some time and everybody knows
The rest of it's fine
And everybody knows that

Come on now, sugar
Bring it on, bring it on, yeah
Just remember me when you're good to go
Come on now, honey
Bring it on, bring it on, yeah
Just remember me when

We used to be friends a long time ago We used to be friends a long time ago We used to be friends a long time ago We used to be friends, hey hey
