## **The Dare**

Brothers and sisters, I wanna see a sea of hands out there  
Let me see a sea of hands  
I want everybody to kick up some noise  
I wanna hear some revolution out there, brothers  
I wanna hear a little revolution  
Brothers and sisters, the time has come for each and every one  
of you to decide  
Whether you are gonna be the problem  
Or whether you are gonna be the solution (That's right)  
Realize your purpose here on the planet  
It takes five seconds to realize that it's time to move  
It's time to get down with it

Brothers, it's time to testify, and I want to know  
Are you ready to testify? Are you ready?  
I give you a testimonial, the MC5

Hey  
Thank you, thank you, thank you  
And right now, right now, right now, it's time to  
Kick out the jams, motherfucker
