

Emperor's New Clothes

The Datsuns

I'm never running low
On expectations
Well is it criminal?
Saying it's tainted
So go figure
Figure it out
Go figure
What it's about

It's alright honey, it's alright
They must be blind
Alright honey, it's alright
There's no disguise
Now they're feeling so cold
Oh not so feeling so bold
In the emperor's new clothes

I'm never running low
On confrontation
It's so obvious
And oh so blatant
