

Come On Over

The Dave Clark Five

Come on over (come on over)
Now tell me everything's alright
Oh, come on over (come on over)
And tell me that you want me tonight

I want you to know
I been [?] at you
Do you feel it, too?

Oh, come on over (come on over)
Baby, I'm not sleepin' so good
Oh, come on over (come on over)
I know that I'd be happy if you would

I'm waitin' for you
The hours go by
I'm startin' to cry

So come on over (come on over)
Ever since you left me I've been blue
Have you ever thought about it, too?

Come on over (come on over)
I won't be the same until you do
Ah, come on over (come on over)
Don'tcha think that we could start anew?

Ah, come on over
Any old time
Now would be fine

Ah, come on over (come on over)
Ever since you left me I've been blue
Have you ever thought about it, too?

Come on over (come on over)
I won't be the same until you do
Come on over (come on over)
Don'tcha think that we could start anew?

Ah, come on over
Any old time
Now would be fine

Ah, come on over (come on over)
Ah, come on over (come on over)
Ah, come on over (come on over)
Ah, come on over
