

Darling I Love You

The Dave Clark Five

If I cried out to you, if I got on my knees
Would you still walk away and ignore my pleas?
It's not enough to say, "We'll meet again sometime"
You know it's not you, I'm goin' out of my mind

(Darling, I love you)
I love you, I love you, I love you, i love you, yeah, yeah
(Darling, I love you)
My darlin', my darlln', my darlin', my darlin', yeah, yeah

My darlin'

All of my faith you know I put in you
But now I'm afraid that I'm no use to you
I can't believe I told her, oh, I can't believe it's true
All the love that we shared just meant nothing to you, yes

(Darling, I love you)
I love, and I adore you, yeah, yeah
(Darling, I love you)
My darlin', my darlln', my darlin', my darlin', yeah, yeah

My spirit is broken, oh, my soul it is torn
But I see the truth, and I know it's for sure
There's nothing I can do, no, there's nothing I can say
Just pick up all the pieces and turn and walk away, yes

(Darling, I love you)
I love you, I love you, I love you, I love you, yeah, yeah
(Darling, I love you)
My darlin', my darlln', my darlin', my darlin', yeah, yeah

My darlin'
