

Don't Be Taken In

The Dave Clark Five

If you believe he loves you
Don't be taken in
He's merely tryin' to win

He'll tell you you're his one girl
Don't be taken in
He's hopin' you'll give in

Don't be taken in
He's just playin' a game
And the more he gains
There'll be more for you to lose

If you believe he loves you
Don't be taken in
He's merely tryin' to win

Don't be taken in
He's just playin' a game
And the more he gains
There'll be more for you to lose

If you believe he loves you
Don't be taken in
He's merely tryin' to win

He'll tell you you're his one girl
Don't be taken in
He's hopin' you'll give in

Oh, don't be taken in, oh no
No, don't be taken in, no no
No, don't be taken in
