

# Good Love Is Hard To Find

The Dave Clark Five

Good love is so hard to find  
Good love is so hard to find

But now, I found mine  
I'm gonna keep you to myself  
Share you with no one else  
'Cause you're mine  
Baby, you're mine

Good love is so hard to find  
Good love is so hard to find

Our love is really strong  
It won't take very long  
I'm really gonna come on strong  
'Cause you're mine  
Baby, you're mine

I know that feelin' so bad  
I know that feelin' down, down, down  
Baby, you took one look at me  
Said you always wanted me around

Good love is so hard to find  
Good love is so hard to find

Good love is so hard to find  
Good love is so hard to find
