

# I Can't Stand It

The Dave Clark Five

Everytime you go I can't stand it  
Everybody knows I can't stand it  
It makes me feel so blue I can't stand it  
Oh no no, oh no no

When you're passing by I can't stand it  
Who's the other guy I can't stand it  
Just to see you there I can't stand it  
Oh no no, oh no no

I can't stand the pain  
It's hurting so inside  
Don't you ever realize what you're doing to me?  
Yeah yeah yeah

There you go again I can't stand it  
You're looking just the same I can't stand it  
I can't hide my tears I can't stand it  
Oh no no, oh no no

I can't stand the pain  
It's hurting so inside  
Don't you ever realize what you're doing to me?  
Yeah yeah yeah

I can't stand it...
