I Cried Over You

The Dave Clark Five

I cried over you too many times
I cried over you, I've been so blind
All the many things I did for you
All you gave me back was love untrue

To think that you love me was being a fool
Now that I know you don't want me at all
All the many things I did for you
All you gave me back was love untrue

I was wrong to love you from the start
Now you've gone and broke my foolish heart

I've cried over you too many times
I've cried over you I've been so blind
All the many things I did for you
All you gave me back was love untrue

I was wrong to love you from the start
Now you've gone and broke my foolish heart

I cried over you too many times
I cried over you I've been so blind
All the many things I did for you
All you gave me back was love untrue

Yes, you did
I cried over you
Yes, you did
I cried over you
Yes, you did
