

# I Cried Over You

The Dave Clark Five

I cried over you too many times  
I cried over you, I've been so blind  
All the many things I did for you  
All you gave me back was love untrue

To think that you love me was being a fool  
Now that I know you don't want me at all  
All the many things I did for you  
All you gave me back was love untrue

I was wrong to love you from the start  
Now you've gone and broke my foolish heart

I've cried over you too many times  
I've cried over you I've been so blind  
All the many things I did for you  
All you gave me back was love untrue

I was wrong to love you from the start  
Now you've gone and broke my foolish heart

I cried over you too many times  
I cried over you I've been so blind  
All the many things I did for you  
All you gave me back was love untrue

Yes, you did  
I cried over you  
Yes, you did  
I cried over you  
Yes, you did
