

I'll Be Yours My Love

The Dave Clark Five

I'll be yours my love (I'll be yours)
We'll stay together forever
I'll be yours my love (I'll be yours)
And it will be like heaven

To stay in your arms, oh-oh (in your arms)
To feel your charms (feel your charms)
Around me, oh-oh, forever (forever)

The little things you do (things you do)
That mean so very much to me
Make me understand (understand)
Your life would mean nothing without me

Now I know that you mean, oh-oh (that you mean)
Every word that you say (word you say)
I love you, oh-oh, forever, forever

I'm not too good with words, as you can see
So if I make a mistake
Won't you, won't you please forgive me

I'll be yours my love (I'll be yours)
We'll stay together forever
I'll be yours my love (I'll be yours)
And it will be like heaven

To stay in your arms, oh-oh (in your arms)
To feel your charms (feel your charms)
Around me, oh-oh, forever, forever
Whoa-whoa-whoa, forever
