

I'm Left Without You

The Dave Clark Five

I sit here by my window
Believing in you
I'm waitin' to love you
Like I used to do

I loved you (Loved you), yeah
I tried to love (Tried to love you)
More every day
But now that (Now that)
I'm left without you (Left without you)
What is there to say?

Why did you have to leave me?
Won't you let me know?
We still can be lovers
Please say that it's so

I'll thrill you (Thrill you), yeah
I will thrill you (I will thrill you)
More every day
But if you (If you)
Don't think about me (Think about me)
What is there to say?
