

I'm Thinking

The Dave Clark Five

It's my turn to tell you
I don't care
It's my turn to tell you
Don't stop and stare

'Cause I've been thinking
Thinking 'bout the way that you lie

You had a good time
And you love me
You had a good time
You're gonna see

'Cause I've been thinking
Thinking 'bout the way that you lie

It's too late to cry now
I'm telling you
About someone else now
I don't care what you do

It's my turn to tell you
I don't care
It's my turn to tell you
Don't stop and stare

'Cause I've been thinking
Thinking 'bout the way that you lie

It's too late to cry now
I'm telling you
About someone else now
I don't care what you do

You had a good time
And you love me
You had a good time
You're gonna see

'Cause I've been thinking
Thinking 'bout the way that you lie
