

# I Meant You

The Dave Clark Five

I meant you, oh, oh  
(When I said those girls aren't nice)  
I meant you, oh, oh  
And I'm glad I'm thinkin' twice

'Cause now you are  
A specialty  
And I'm glad it's you  
That means so much to me

I meant you, oh, oh  
(When I said those girls aren't good)  
I meant you, oh, oh  
And it's time you understood

'Cause now you are, oh, oh, oh  
A specialty  
And I'm glad it's you  
That means so much to me

I saw you lookin' straight at me, oh, whoa, whoa  
Now, it's part of a memory, oh, oh, oh, oh, oh

I meant you, oh, oh  
(When I said those girls aren't nice)  
I meant you, oh, oh  
And I'm glad I'm thinkin' twice

'Cause now you are, oh, oh, oh  
A specialty  
And I'm glad it's you  
That means so much to me

Yes, I'm glad it's you  
That means so much to me
