

# I Never Will

The Dave Clark Five

I see you walking side by side  
I hear you want to be his bride  
I want to tell you how I feel  
But it looks like, I never will  
Yes it looks like, I never will

I see you lookin' in his eyes  
I hear you tellin' all this lies  
I want to tell you how I feel  
But it looks like, I never will  
Yes it looks like, I never will

Don't you realize, what you're doin' to me  
Can't you understand, it's plain enough to see

I see you as you walk away  
I hear you wanted me to stay  
I want to tell you how I feel  
But it looks like, I never will, no no no no no  
Yes it looks like, I never will, I been tryin' so hard now  
Yes it looks like, I never will, no no no no no
