

It'll Only Hurt for a Little While

The Dave Clark Five

If you want my lovin' let me know
Ah, you want my kissin' let it show
'Cause I've waitin' for a long, long time
Ah, won't you say you're gonna be mine? ohhh

(It'll only hurt for a little while) Yeah, yeah
(It'll only hurt for a little while) Yeah, yeah
(It'll only hurt for a little while) Yeah, yeah
(It'll only hurt for a little while) Yeah, yeah

They said in time that I won't care
But I only know that I want to share
Whoa, everything that I possess
So please don't leave me in this mess, ohhh

(It'll only hurt for a little while) Yeah, yeah
(It'll only hurt for a little while) Yeah, yeah
(It'll only hurt for a little while) Yeah, yeah
(It'll only hurt for a little while) Yeah, yeah

They said in time that I won't care
But I only know I want to share
Whoa, everything that I possess
So please don't leave me in this mess, ohhh

(It'll only hurt for a little while) Yeah, yeah
(It'll only hurt for a little while) Yeah, yeah
(It'll only hurt for a little while) Yeah, yeah
(It'll only hurt for a little while) Yeah, yeah
