

Maybe It's You

The Dave Clark Five

Somebody needs me
Maybe it's you
Somebody wants me
Maybe it's you
Maybe it's you
Maybe it's you-ooh-ooh-ooh-ooh

Who can pretend so?
Nobody else knows
Who'd be the loser?
Maybe it's you
Maybe it's you
Maybe it's you-ooh-ooh-ooh-ooh

You've been playin' 'round
And soon you will discover
There will be no other
But me-ee-ee-ee-ee

Someone will come back
Maybe it's you
And they will want me
Maybe it's you
Maybe it's you
Maybe it's you-ooh-ooh-ooh-ooh

You've been playin' 'round
And soon you will discover
There will be no other
But me-ee-ee-ee-ee

Someone will come back
Maybe it's you
And they will want me
Maybe it's you
Maybe it's you
Maybe it's you-ooh-ooh-ooh-ooh
