

Nineteen Days

The Dave Clark Five

In nineteen days
In nineteen days

Nineteen days
Before I get to see
My loving girl again

Nineteen days
Been away too long
I can't stand the pain

I'm gonna be moving on home, baby
I'm gonna be moving on home
Moving on home, I hope
I find you waiting there

Nineteen days
Each town I go to
Brings me nearer home

Nineteen days
Been working too hard
Every finger to the bone

I'm gonna be moving on home, baby
I'm gonna be moving on home
Moving on home, I hope
I find you waiting there

In nineteen days

I'm gonna be moving on home, baby
I'm gonna be moving on home
Moving on home, I hope
I find you waiting there

In nineteen days
In nineteen days
