One Night

The Dave Clark Five

One night with you
Is what I'm now praying for
'cause the things that we two could plan
Would make my dreams come true

Just call my name
And I'll be right by your side
'cause I want your sweet helping hand
My loves too strong to hide

Always lived, a very quiet life I ain't never did no wrong But now I know that my life without you Has been too lonely too long

One night with you (Yeah) is all I'm now praying for The things that we two could plan Would make my dreams come true
