

## Pick Up Your Phone

The Dave Clark Five

Won't you pick up your phone  
And dial my number?  
And let me know  
That you still care

Won't you pick up your phone  
And dial my number?  
And let me know  
You still want to share

All the things that we had  
All the places we went  
All the love that we had  
Are you goin' to waste it?  
Baby, are you goin' to waste it?

Pick up your phone  
And dial my number  
Let me know  
That you still care, whoa oh

All the things that we had  
All the places we went  
All the love that we had  
Are you goin' to waste it?  
Baby, are you goin' to waste it?

Now, pick up your phone  
And dial my number  
Let me know  
That you still care, yeah

Let me know you still care, yeah oh  
Baby, you still care  
That you still care
