

Scared of Falling in Love

The Dave Clark Five

Oh please, hear the prayer
Of a boy who is scared
Of fallin', of fallin' in love

Oh please, hear my plea
Can't you see that it's me
Who is scared of fallin' in love?

No matter what you say
The price you have to pay
For fallin' in love is too much

So please, hear my prayer
Of this boy who is scared
Of fallin', of fallin' in love
Of fallin' in love
