

Sometimes

The Dave Clark Five

Sometimes I wonder
Do you really care?
Sometimes I wonder
Can this be true?
Or could this be
A love that happens
Only sometimes

Sometimes I'm dreamin'
In my dreams I see
A guardian angel
Watching over me
Are you my angel?
Or are you there
Only sometimes

I can't explain
What you mean to me
Don't leave me ever
Even if I see you sometimes
That's better than never
This, too, I promise you
I will always stay
Close by your side
Not go away
Please, tell me you love me
All the time
Not sometimes

I can't explain
What you mean to me
Don't leave me ever
Even if I see you sometimes
That's better than never
This, too, I promise you
I will always stay
Close by your side
Not go away
Please, tell me you love me
All the time
Not sometimes
