

## Tabatha Twitchit

The Dave Clark Five

I once knew a lady  
A little old lady  
Before I started to grow  
She'd tea ev'ry Sunday  
Was up on a Monday  
Though she had no place to go

And her name was Tabatha Twitchit  
Is it right what I'm tellin' you now?  
Yes, her name was Tabatha Twitchit  
Is it right? Yes, it is 'cause I know

She had a greyblue  
We all used to talk to  
Anton the Great was his name  
And she could depend on  
Her great little Anton  
Whose picture she hung in a frame

And he loved Miss Tabatha Twitchit  
Is it right what I'm tellin' you now?  
Yes, he loved Miss Tabatha Twitchit  
Is it right? Yes, it is 'cause I know

Old fashioned lace  
Around the face of that lady  
Old fashioned grace  
She meant the world to me

I once knew a lady  
A sweet, little lady  
By then I started to grow  
We cried on a Sunday  
I left on a Monday  
Where she is now I don't know

So I lost my Tabatha Twitchit  
Is it right? What I'm tellin' you now  
Yes, I lost my Tabatha Twitchit  
Is it right? Yes, it is 'cause I know
