

To Me

The Dave Clark Five

Stars shine
Up in the sky
Tears are
falling from my eyes

Since you went away
I just hope and pray
You'll come back again
Again to me
Again to me

You know
That I'll always be
Waiting
With your memory

I can't stand the pain
I just hope and pray
You'll come back again
Again to me
Again to me

I can't stand the pain
I just hope and pray
You'll come back again
Again to me
Again to me
