

# Today

**The Dave Clark Five**

Why did today mean so much to me?  
Because today we are so far apart  
Someone had said that this morning you're gone  
That's why I'm crying today

Last night you said  
That you'd love me always  
Happy last night  
Sad today

Yesterday's gone  
And today seems so long  
Now I'm alone  
I don't feel quite so strong  
I'll dream awhile  
And remember your smile  
But I won't be smiling today  
No, I won't be smiling today
