

Far Away And Long Ago

The dB's

Far away and long ago I knew you when
Far away and long ago the dreams we planned
Far away and long ago slipped through our hands
Far away and long ago

If I pass you on the street and ask you why
You slowly turn your head with no reply
Far away and long ago seems so denied

Now the days are empty and inverted
Now the nights are long

Far away and long ago
How can I remember every moment
Just like yesterday

Far away and long ago I knew you when
Far away and long ago the dreams we planned
Now I try to find a way to understand
Far away and long ago
Far away and long ago
Far away and long ago
