

Morning Bugle

The dB's

Rise up shining
Silver lining
Morning the bugle call
And the longer the dreams, the better it seems
Dreams at their best
Will find some little rest
Until the sun sets in the western sky
And some sweet bye and bye
My world without end

Sleep fills your eyes
It's so hard to rise
Morning the bugle call
And the longer the sleep, the less we must keep
Our tears of awake
Counting our mistakes
Until the sun sets in the western sky
And some sweet bye and bye
My world without end
World without end
World without end
World without end
World without end

Forever is better
Than waking up never
Forever and ever
Is better than ever
Forever and ever and ever and ever
Forever and ever

Rise up shining
Silver lining
Morning the bugle call
And the longer the dream, the better it seems
Dreams at their best
Will find some little rest
Until the sun sets in the western sky
And some sweet bye and bye
My world without end
In some sweet bye and bye
My world without end
In some sweet bye and bye

Rise up shining
Rise up shining
Rise up shining
Morning the bugle calls
