

The Wonder Of Love

The dB's

The wonder of love, ooh the wonder of love

I didn't have to be the one to explain
But time and again I do
I never really sure just what it all means
But I'm still the beans to you

You pick the category
Let me complete the story
Cause you know that's how we roll
I only tried to show the wonder of love
Of those in complete control

If it's a matter of invisible proof
If that's the truth that counts
I only saw it when it busted apart
And that was in minute amounts

I haven't thought about it
I only ever doubt it
When it was happening to me it seems

Oh I only tried to show the wonder of love
That's all I tried to do
It isn't metallurgy
It isn't rocket surgery
It's not as hard as you make it sound
Oh I only tried to show the wonder of love
Ooh the wonder of love

If you seem to be less than impressed
I'd be surprised and yet
That little spark in the dark of your eyes
Says that you don't forget

You must've thought about it
The way you lived without it
It must've risen like a wave inside you
The way you rode it out
And then you checked it out
And know exactly what was denied you

The wonder of love, oh the wonder of love
I wanna tell you about the wonder of love
Oh the wonder of love

Sometimes I wonder if the wonder of love
Is ever enough or always too much
And then I think that it all levels out
Homeostatic, it's softer than touch

And I gotta believe in the wonder of love
I gotta believe in the wonder of love

You must've thought about it
The way you lived without it
It must've risen like a wave inside you

The way you rode it out
And then you checked it out
And know exactly what was denied you

You pick the category
Let me complete the story
Cause you know that's how we roll
I never thought about it
I only ever doubt it
When it was in complete control

The wonder of love, ooh the wonder of love
The wonder of love, ooh the wonder of love
The wonder of love, ooh the wonder of love
The wonder of love, ooh the wonder of love
