

## Tic Tac

## The Dead Brothers

You imagine the tic tac  
of the clock behinde your back  
You imagine the tic tac  
of the clock on the kitschen rag  
And you wonder why  
it takes so long  
for him to come around  
it takes so long  
For him to come home

You imagine the flic flac  
....  
You imagine the click clack
