

## Crossroads

The Dead Daisies

I went down to the crossroads  
Fell down on my knees  
I went down to the crossroads  
Fell down on my knees  
I'm begging you for mercy  
Won't you take me please

I went down to the crossroads  
Tried to beg a ride  
I went down to the crossroads  
Tried to beg a ride  
Well, nobody seemed to know me  
Everybody just passed me by

I remember the day (At the crossroads)  
Where I lost my way (At the crossroads)  
I was down in the hole, yeah, I sold my soul  
At the crossroads

(Play it, Doug)

Goin' down to Rosedale  
Take my rider by my side  
Goin' down, down, down to Rosedale  
My rider by my side  
I can still buy a house there  
On the riverside  
(That's right)

I remember the day (At the crossroads)  
Where I lost my way (At the crossroads)  
I was down in the hole, yeah, I sold my soul  
At the crossroads, ugh

You can run, you can run  
You can run, you can run  
Tell my friends I'll get by  
You can run, you can run  
You can run, you can run  
Tell my friends I'll get by  
I believe, I believe  
I believe, I believe  
I believe, I believe, yeah, yeah, yeah  
I believe I'm sinking down

(Tell Mr. Johnson I said hello...)
