

I Wanna Be Your Bitch

The Dead Daisies

She like money and the jet plane
Good caviar with champagne
Fine dining and Versace
All you want s'il vous plait
One time mama, is never enough
Two time drama, acting it up
Three time baby, down on my knees
4, 3, 2, 1 begging you please

Baby, don't stop, scratch that itch
I wanna, be your bitch
Got me so cold, flip that switch
I wanna be your
I wanna be your bitch

You make it hurt, I can't complain
A dirty dance, I feel no pain
This kind of crazy, I can't compare
Keep it coming, baby I don't care
One time mama, is never enough
Two time drama, taking it off
Three time crazy, down on the floor
4, 3, 2, 1 begging for more

Baby, don't stop, scratch that itch
I wanna, be your bitch
Got me so cold, flip that switch
I wanna be your
I wanna be your bitch

Baby, don't stop, scratch that itch
I wanna, be your bitch
Got me so cold, flip that switch
I wanna be your
I wanna be your

Baby, don't stop, scratch that itch
I wanna, be your bitch (I wanna be your bitch!)
Got me so cold, flip that switch
I wanna be your bitch (I wanna be your bitch!)

Baby, don't stop, scratch that itch
I wanna, be your bitch (I wanna be your bitch!)
Got me so cold, flip that switch
I wanna be your
I wanna be your bitch
I wanna be your bitch
