

It's Gonna Take Time

The Dead Daisies

Don't drive so slowly, don't talk so long
I got a million things that's waiting to get done
Don't be distracted, don't shoot your mouth
You know I want you but I can do without

Yeah, I'm on the run from what I don't know
Are we ever gonna get there or do we take it slow

It's gonna take time, time
That we don't have, we don't have
It's gonna take time, time
That we don't have

I'll push it forward, I'll push it till it breaks
Yeah I'll get it done and you won't have to wait
Oh yeah I love ya but nothing stays the same
Are we getting closer or falling out again

Yeah, I'm on the run from what I don't know
Are we gonna hold on or are we letting go

Cause it's gonna take time, time
That we don't have, yeah
Cause it's gonna take time, time
That we don't have
We don't have it, baby

Tell me is this really where you wanna be
Living on the edge of what's reality
Or is that you slipping away from me, oh baby

Time, time...
Cause it's gonna take time, time
That we don't have...
