Your Karma

The Dead Daisies

Ever get the feeling that you're running too fast
Yeah, well take a minute 'cause it might be your last
Don't you know how to say what you want, yeah

Who's waiting for you at the end of the line?
You know, I ain't gonna be wasting my time
Every dog has its day, c'mon

Your karma will meet you, define you or defeat you
Make your mind up, if you want love
If you want it, yeah

Time, you're never gonna get it back
C'mon, your revolution's under attack
Yeah, every dog has its day

Your karma will meet you, define you or defeat you
Make your mind up, if you want love
If you want it, you want love
If you want it

Yeah, ever get the feeling that you're running too fast
C'mon, take a minute 'cause it might be your last

Your karma will meet you, define you or defeat you
Make your mind up, if you want love

Your karma, I ain't your blue-eyed boy (your karma)
You ain't my blue-eyed girl (your karma)
See what you're looking for (your karma)
I ain't your blue-eyed boy (your karma)
I ain't your blue-eyed boy
