

# Echo "Orchestra"

The Dead Rabbits

Can you hear me callin  
Silence the echo!  
This is never ending

Don't fuckin hold your breath  
Just get it off your chest  
I make the same mistakes  
Get hold of the regret  
I say I wanna change  
So why am I the same  
Cause im addicted to the  
Self inflicting suffering

Never ending  
Will make you sick  
Will make you sick  
Never ending  
Can anybody help me find a way out

Can you hear me calling  
I am here down below  
Be nice to know if i'm alone  
Can you hear me calling  
Is it me is it you  
Or just the echo coming through  
Silence the echo!

This is never ending

I know skeletons I swallow the key  
I hate everything just fuckin bury me  
Don't wanna think this way  
I say that ima change  
Guess i'm addicted to the self inflicting agony

Never ending  
It never ends it never ends  
Don't make a sound just bury me

Can you hear me calling  
I am here down below  
Be nice to know if i'm alone  
Can you hear me calling  
Is it me is it you  
Or just the echo coming through  
Silence the echo!

Can you hear me calling  
I am here down below  
Be nice to know if i'm alone  
Can you hear me calling  
Is it me is it you  
Or just the echo coming through  
Silence the echo!

This is never ending  
Silence the echo!
