

Keep On The Sunny Side

The Dead South

There's a dark and a troubled side of life
There's a bright and a sunny side too
Though we meet with the darkness and strife
The sunny side we also may view

Keep on the sunny side, always on the sunny side
Keep on the sunny side of life
It will help us every day, it will brighten all the way
If we'll keep on the sunny side of life

The storm and it's fury broke today
Crushing hopes that we cherish so dear
The clouds and storms will, in time, pass away
The sun again will shine bright and clear

Keep on the sunny side, always on the sunny side
Keep on the sunny side of life
It will help us every day, it will brighten all the way
If we'll keep on the sunny side of life

Let us greet with the song of hope each day
Though the moment be cloudy or fair
And let us trust in the sunshine always
Who keeps us all warm with his care

Keep on the sunny side, always on the sunny side
Keep on the sunny side of life
It will help us every day, it will brighten all the way
If we'll keep on the sunny side of life

Keep on the sunny side, always on the sunny side
Keep on the sunny side of life
It will help us every day, it will brighten all the way
If we'll keep on the sunny side of life
If we'll keep on the sunny side of life
If we'll keep on the sunny side of life
