

## Easy Meat

The Dead

Walking the streets so lonely  
A buck and a fuck on your mind  
Your eyes so empty and desperate  
The easiest meat you'll find

I pull to the curb and she gets in  
I ask for a date and her price  
I stare at those tits and needle tracked arms  
The nasty games begin tonight

Sometimes I hear a voice  
From between my legs  
The time is right  
And it's good for sex

I know you wanna get laid  
So I get on my feet  
I can call you anytime  
'cause you're easy meat  
Easy meat  
Easy Meat

When it's good for a date  
Then it's good for me  
and if you wanna get screwed, baby  
You must be a "she"

I know you need to get laid  
So I will get on my feet  
I can call you anytime  
'cause you're easy meat  
Easy Meat  
Easy Meat

Wank-time's over  
The turn's on you

I need a nut-bolt  
For my screw

So let's do a fuck  
My point of view!

Wank-time's over now  
Wank-time's over now  
Wank-time's over now  
The turn's on you
