

## Stretch

The Dead

Lash yourself  
She needs a firm hand  
Divine domination  
Please (for) your daily humiliation

Swift tongues on your cunt  
Make you fuckin' moan  
The force of the strokes  
Makes her luscious busts away

You gotta cum  
When it feels the nicest...

Stretch - your legs wide, bitch!

Menstruate  
Masturbate  
Defecate  
Ejaculate
