

## Owls

### The Dear Hunter

You say you're lonely,  
I'm lonely too.  
You say you need me,  
I need you.  
With all the false prophets,  
you deserve a chance to speak.  
Got a problem and I'll solve it,  
and erase this suffering.

Won't you swoop down,  
and catch another mouse;  
Why don't you swoop down,  
to catch another mouse [x2]  
for me?

Do you really want to be helpless,  
with your hands behind your back?  
Waiting idle for a blessing,  
or until complete collapse?

Will you swoop down,  
and catch another mouse;  
Oh won't you swoop down,  
to catch another mouse;  
Why don't you swoop down,  
to catch another mouse  
for me?
